Representatives of University Donja Gorica, prof.dr Ramo Šendelj, PhD and Assistant Prof. Ivana Ognjanović, PhD, participated in Erasmus teaching mobility program at University of Economics in Bratislava (EUBA), Slovakia.

During their lectures (<http://moodle.euba.sk/enrol/index.php?id=37>) at Faculty of Economics Informatics, they presented ECESM project and recently developed Moodle platform for education and training in cyber security. Students from EUBA expressed high interests to access all materials and enrol the courses, which is implemented due to close cooperation between UDG and EUBA. To this sense, link to MCEC Moodle platform is uploaded on EUBA Moodle platform (<http://moodle.euba.sk/>), and accounts are created for all interested students.
