## **Dissemination: ECESM project presentation at Atlas TV**

**Podgorica, Montenegro**

**Wednesday, 25th May 2016**

### **Participants:**

Adis Balota, Mediterranean university

Srdjan Jovanovski, Mediterranean university

In the popular television show named "5 do 5", dean of the Faculty of Information technology, doc dr Adis Balota and professor Srdjan Jovanovski presented ECESM project - overall objectives, planned activities and partner institutions. Viewers were introduced to all activities of project. Also already implemented activities were presented. Viewers were also introduced to cyber security and its impact on everyday life. Also it is noted that as a project result, new master program will be introduced and anyone with enough previous knowledge and interest can improve their skills and knowledge regarding cyber security.

Video in local language can be seen [here](#).
