Enhancement of cyber educational system of Montenegro

Training was organized in the premises of Faculty of Information system and technologies (FIST) at University Donja Gorica. It started at 11 am.

On the behalf of the ECESM project consortium and University Donja Gorica, Assis. prof. Ognjanović welcomed all students and presented them ECESM project- overall objectives, planned activities, partner institutions and already implemented activities. She also presented Moodle platform to all participants and introduced them with further potentials of using materials published on the platform. Prof. Ognjanović distributed among students the brochures about project and asked students to fill Free Registration Form for opening an account on Moodle platform, so they can access to all open-access materials, quizzes, etc.

The content of training was organized as follows:

11:00 – 11:10 – Introduction

11:10 – 11:30 - Presentation of ECESM project

11:30 – 12:30 – Security on Internet

12:30 – 13:00 – Online payment – security aspects
