The Conference Organizational Board meeting was organized on 15th September 2014 (at 10am) at premises of UNIM, aimed on organizing the 1st conference “*Cyber security in the knowledge society: threats, risks and achievements*”.

1. In accordance with decision of the ECESM National Board, Ivana Ognjanović presented a plan agreed with organizers of INFOFEST2014 how to integrate in the 1st conference “*Cyber security in the knowledge society: threats, risks and achievements*”. Two guest speakers from ITU and ENISA accepted to participate at the conference, and the following program is proposed:

Topic / Title	Speaker
<i>A global approach to build cyber security capacity</i>	Rosheen Awotar Mauree, International Telecommunication Union (ITU)
<i>European strategy for cyber security cyber threats and critical ICT infrastructure of Serbia</i>	Slobodan Nedeljković, Ministry of Interior, Serbia
<i>Security challenges for the Networked Society</i>	Željko Popović, Ericsson Nikola Tesla
<i>Security risk and IT Protection</i>	Jasna Mirković, Telekom Montenegro
<i>Review of existing European practice for Cyber security education</i>	Marko Hölbl, University of Maribor
<i>CERTs- The last line of cyber defense?</i>	Lionel Ferette, ENISA
<i>Information security in Western Balkan region– Cyber war or Cyber peace?</i>	Zoran Živković, Cyber security society of Serbia

2. Conference International Editorial Board is created with the following ECESM members:
 - Ivana Ognjanović, UNIM
 - Ramo Šendelj, UDG
 - Dragan Đurić, IMTM
 - Marko Hölbl, University of Maribor
 - Marko Kaaramees, Tallinn University of Technology
