In total, 3 trainers and 27 trainees participated.

Training was organized in the premises of "High school of electric engineering and economics" in Bijelo Polje. It started at 10 am.

On the behalf of the ECESM project and Mediterranean University, doc dr Srdjan Jovanovski welcomed all participants and presented ECESM project - overall objectives, planned activities and partner institutions. Participants were introduced to all activities of project. Also already implemented activities were presented. Participants were also introduced to content of project website and all material that can give them motivation for improvement of their skills.

The training content was organized as follows:

10:00 – 11:30- *Topic:* Safe usage of web – *trainer:* doc. dr Srdjan Jovanovski

11: 30 – 11: 45- Coffee Break

11:45 – 13:15- *Topic:* Safe usage of communications – *trainer:* mr Mladen Bukilić

13:15 – 13: 30- Coffee Break

13:30 – 15:00- *Topic:* Management of data usage – *trainer:* doc. dr Adis Balota

After the conducted training, each participant was:

- Introduced with developed Moodle platform (http://www.imtm.me/mcec/distance_learning/)
- Asked to fill Registration Form in order to provide basic personal data needed to open free account to access materials created and published on the platform
